

Kraków 2009 September

LETTER OF REFERENCE

Dear Sirs

Lurgi S.A., was selected as a contractor for the Engineering, Procurement, Construction Management lump sum project in tender procedure to execute:

- Crude Distillation Unit,
- Vacuum Distillation Unit,

The project was executed since June 2007 up to September 2009 and was a part of the investment called "10+ Programme" in Gdansk refinery of Grupa LOTOS S.A.

One of our partners was **LOTOS Serwis Sp. z o.o.**, contractor selected to support Lurgi S.A. in fulfilling services like:

- Precommissioning works and services ,
- Commissioning works and services,
- Cooperation with implementation of Control System of the Unit,

All the works and services were provided with a professional manner involving qualified and competent staff equipped with a quality equipment.

Lurgi S.A. Project Director

Marcin Grzanka
